

Perfect Chair®

Zero-Gravity Recliner
PC-050

Escape pain, stress and gravity in Zero-Gravity.

Placing the body in a virtually weightless position that doctors recommend as the healthiest way to sit, the Perfect Chair PC-050 brings the spine, hips, and knee joints close to the balanced midpoint of the muscles for maximum relaxation and minimum muscle tension. This stylish and expertly crafted chair relieves backpain and sore muscles, so you no longer have to stand for the negative effects of earth's constant gravitational pull. Simply take a seat and feel the padding conform to your body, recline into otherworldly comfort and say goodbye to muscle joint pain and stress.
